# Espresso Art Cafe 5:00pm

PRESENTER: YOU & FRIENDS  
Department of German Studies  
University of Arizona

The purpose of Fisch out of Water is to encourage speakers of foreign and second languages to use their own voices in non-native ways, in the company of their peers. Concretely, Fisch out of Water invites language learners to read / perform a poem or short prose text in the language(s) they are currently learning or have learned.

Our fourth event of 2012-13 will be devoted to the 200th anniversary of the Brothers Grimm and their fairytales. It will be an opportunity to share our love for both languages and fairytales as well as the cultures in which they are embedded. We invite speakers of various foreign languages to share their favorite fairytale with us and recite an excerpt from it.

Munchies provided!
